**STOUGHTON HIGH DECA
WANTS TO PROMOTE YOUR BUSINESS
BY WEARING THIS DECA T-SHIRT!**

DECA is a growing high school business club serving Stoughton High School students (between 50-75 members annually). Students join our business club to learn how to become academically prepared as future business leaders serving the greater community.

DECA is part of an International network of over 200,000 members and 3,500 chapters since it began in 1946. **DECA** prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe. Visit DECA.org to learn more.

This t-shirt fundraiser will support Stoughton High **DECA** students to attend **DECA** business competitions at district, state and national levels in 2015.

Our estimated cost per student to attend each conference:

District Competition	\$50
State Competition	\$400
National Competition	\$1,200

Our Stoughton High **DECA** club is completely self-funded by students and fundraising is one of the activities our students must do in order to support their goals to attend these exciting career development conferences and competitions. Students will wear this t-shirt proudly at **DECA** events throughout the year and while working in our **DECA** School Store.

We are currently fundraising for 12 Stoughton High **DECA** students who qualified for National Competition (International Career Development Conference) in April 2015 in Orlando! We would greatly appreciate your contribution. We are still trying to reach our \$10,000 fundraising goal!

By becoming a Business Partner you will be added to our National [DECA](#) Roster as a Professional Member and to our DECA School Store Board listing our supporters in the community.

Thank you for your support! (See order form on back).
